

The Roffe/Rolfe Families  
of  
Mecklenburg Virginia

by

Mary Ann Mulrooney

This book is dedicated to  
Beatrice Craven Parks

To my mother, Bea Parks, this is for you and thank you for your curiosity that inspired me to do this research.

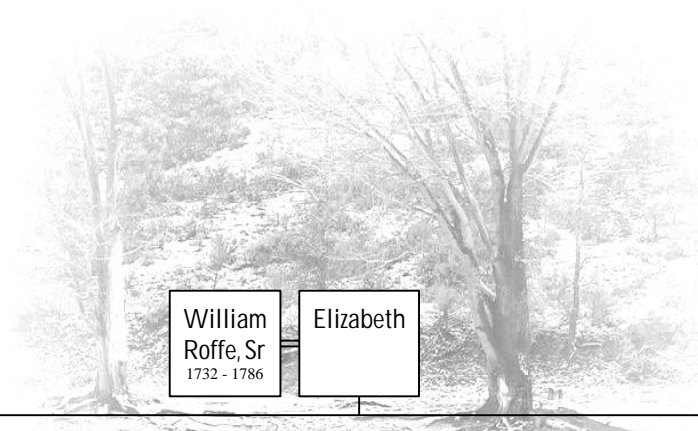

After several years of research and many days and nights in Mecklenburg County Virginia, I am now confident with what I have found on my Roffe/Rolfe ancestors.

I owe so much thanks to the many descendants of the Roffe/Rolfe family for their help and contributions also.

I could never have gotten this far without the love, help and support of my husband Richie. So, thank you my love.

I hope this will be of help to anyone researching this branch of the family.
