

Descendants of Robert Boyd

Generation No. 1

1. ROBERT¹ BOYD was born Abt. 1781 in NC, and died July 14, 1863 in Franklin Co., AL. He married (1) TEMPERANCE "TEMPIE" PITMAN Abt. 1800 in N Carolina (Mecklenburg Co.?). She was born Abt. 1784 in NC, and died Bef. 1837 in (?). He married (2) LYDIA WHITAKER November 20, 1837 in Tuscaloosa Co., AL. She was born Abt. 1818 in GA, and died February 4, 1897 in Alabama.

Notes for ROBERT BOYD:

An LDS file indicates Robert's mother's name was "Elizabeth." No source info is given.

Robert, who always spelled his name BOID, and a veteran of the War of 1812 settled with several of his family members in Tuscaloosa Co., AL about 1830. The following info was transcribed from his family Bible:

(Children)

"Polly BOID was bourn Sept the 28 day of 1801;
Jane BOID was bourn March the 29 year 1805;
Sarah BOID was bourn July the 8 day year 1807;
Elizabeth BOID was bourn October the 10, 1809;
John Ala BOID was bourn January the 5 day 1812;

Caty Carline BOID was bourn July the 15 year 1820."

(Grandchildren)

"(unknown -corner torn off) was bourn January 13th day 1823;
Anna Carline KEZAR bourn Oct the 21 1827;
John Alexander KEZAR bourn Sept the 1 day 1829 (the "KEZARs" are children of Robert Lee and Polly (Boyd) Kizziah);
Jane MANICAH was bourn Dec the 16 day 1829; <= I have not been able to identify this person -Jim N.
Robert Boid NEWEL was bourn Dec the 19th 1824;
Matthew NEWEL was born Sept the 17 day 1827 (the "NEWELs" are children of James and Sarah (Boyd) NEWELL)"

Available records seem to indicate that the Kezar grandchildren are children of Robert Lee and Polly (Boyd) Kizziah. Robert Lee Kizziah was married to "a" Polly Boyd and circumstantial evidence points to her being Robert Boyd's daughter Polly.

Notes for TEMPERANCE "TEMPIE" PITMAN:

Tempie is the 26-45 female on the 1810 Mecklenburg Co., NC census of Robert Boyd:

1810 census: 1m 26-45, 4f <10, 1f 26-45

Family sources indicate that Temperance was the daughter of Matthew Pitman. Positive evidence of this has

not been forthcoming, however, Robert and Tempie named their second child Matthew Pitman Newell, and there was a Matthew Pitman (Jr.), supposed brother of Tempie, in Tuscaloosa Co., AL along with the Boyds, Newells, and Kizziahs in the early 1830s.

Notes for LYDIA WHITAKER:

In 1870, Lydia is "head of household" with two children and two adults living with her, Earley and Emeline. Emeline's age matches Sara Leah. The adults are Rebecca Hunnicutt age 77 SC and Fletcher Hunnicutt age 43 AL. The relationship is unknown. In 1880, Lydia is living with her son, James Earley Boyd and family, in Franklin Co., AL. In most later censuses, Lydia claims to be born in GA. 1880 census gives GA GA SC for her and parents.

Generation No. 2

2. POLLY² BOYD (*ROBERT*¹) was born September 28, 1801 in (Mecklenburg Co.), NC, and died Abt. 1845. She married ROBERT LEE KIZZIAH Bef. 1827, son of WILLIAM M. KIZZIAH, SR.. He was born Abt. 1805 in SC.

Notes for POLLY BOYD:

Polly is one of the <10 females on the 1810 Mecklenburg Co., NC census of Robert Boyd:

1810 census: 1m 26-45, 4f <10, 1f 26-45

There is information that a Robert Kizziah (Kizzire) living in Fayette Co., AL in 1850 had married a Polly Boyd. I have not positively determined if this Polly is Robert's daughter but evidence implies that it is highly likely and so, the two grandchildren noted in Robert's family Bible appear to be Polly's children. Robert Lee Kizziah was a brother of William, Jr. according to a Boyd GenForum posting by Donna Washburn. Donna's information identified Enoch Jefferson Kizziah as their child.

Polly may have died shortly after the birth of Leonard in 1845, hence the estimated death date of ca1845.

Fact 1: September 28, 1801, Boyd Family Bible

Notes for ROBERT LEE KIZZIAH:

Robert appears to have been in Tuscaloosa Co., AL in 1840 based on the following census data:

Robert Kezia: 2m <5, 3m 5-10, 1m 10-15, 1m 30-40, 1f <5, 1f 20-30, and 1f 30-40. The male 30-40 matches his birthdate of ca1805 and the female 30-40 matches Polly Boyd's birthdate of Sep 28, 1801.

Robert's parentage has not been positively established but appears most likely to be William M. Kizziah, Sr. based on available data. Children's names from Rootsweb posts by Lorna Hibbs and Loma Martin. Robert married Nancy Grey Nov. 18, 1845, so Joseph would appear to be the son of this 2nd marriage.

Written "Robert Kiziah" 52 SC in 1860 a farmer. Robert's descendants mostly used the "Kizzire" spelling. In 1860 there is a William Kizziah age 28 who is #110 on the Fayette Co., AL census and may be another child of Robert but not enough info to determine.

1870: (1) Written "Robert Kissiah" 65 SC a miller; wife Sarah, 44 GA, dau. Nancy 4, and "Adaline Hefner 15" and "Mary Pool 7."

1870: (2) Written "Robert Kesiah" 57 SC working a grist mill; wife Susan 46 SC on 1870 Tuscaloosa Co., AL census at Northport #237/226. Children are Adeline 13, Dora 11, and Nancy 5. This appears to be same family and may have been enumerated twice, but with slight variations.

Written "Robert Kiriar" 75 SC SC SC in 1880 a miller. Robert's wife in 1880 is Sarah Pool - actual mother of Adline and Abitha listed on the 1880 census not yet verified.

Children of POLLY BOYD and ROBERT KIZZIAH are:

- i. ANNA CAROLINE³ KIZZIAH, b. October 21, 1827, NC.

Notes for ANNA CAROLINE KIZZIAH:

Parents of Anna have not been positively determined. She is listed in Robert Boyd's Bible as a granddaughter along with "John Ala Kizar." Since John Alexander has been fairly well established as the Alex in 1860 Fayette Co., AL, it is only reasonable to assume that Anna is also the daughter of Robert and Polly (Boyd) Kizziah.

Notes for WILLIAM KIZZIAH:

Written "Wm. Kiziah" 28 TN in 1860. Jefferson V. Merrow 18 AL and Nancy A. Merrow 16 AL are living in the household -- relationship unknown at this time. Robert Lee Kizziah is #113 or three households away on this census. William could be his son.

Notes for RILEY ALEY KIZZIAH:

Name appears to be written "A C Kiziah" age 22 but transcribed "Ale" on the 1860 Fayette Co., AL census living with the George R. Berry family. This is most likely "Aley Kizziah." Also living with this family are Mary Farquhar who married Leonard Kizziah, and what appears to be "Roan" Berry, age 27. Rosa Ann Berry married Aley Kizziah. There were two other Berry/Kizziah marriages involving Aley Kizziah's siblings.

3. JANE² BOYD (*ROBERT*¹) was born March 29, 1805 in (Mecklenburg Co.), NC.

Notes for JANE BOYD:

Jane is one of the <10 females on the 1810 Mecklenburg Co., NC census of Robert Boyd:

1810 census: 1m 26-45, 4f <10, 1f 26-45

No further info has been discovered about Jane. In Robert Boyd's Family Bible, there is one additional grandchild, Jane Manicah born Dec. 26, 1829. Although this could be Jane Boyd's child, I have not discovered anyone with the surname "Manicah" which might be a phonetic spelling.

4. SARAH "SALLY"² BOYD (*ROBERT*¹) was born July 8, 1807 in Mecklenburg Co., NC, and died Aft. 1880 in Tuscaloosa Co., AL. She married JAMES NEWELL Abt. 1823 in probably Mecklenburg Co., NC. He was born Abt. 1795 in NC (Mecklenburg?), and died Aft. 1880 in Tuscaloosa Co., AL.

Notes for JAMES NEWELL:

The 1840 Tuscaloosa Co., AL census age brackets account for all the known children of James and Sarah (Boyd) Newell. However, there is one additional unknown male in the 10-15 age bracket.

Written "James" 55 NC in 1850 a farmer.

In addition to James and Sarah, the 1850 Tuscaloosa Co. census included Ala Newell, age 23 NC, with his wife Nancy, age 23 AL, and two children, Martin Van Buren Newell, age 3 AL and Mary C., age 9/12 AL. I have not been able to establish their relationship to James and Sarah. Ala would have been 13 in 1840 and could match the unknown male in the 1840 James Newell household. Being born in 1827, Ala's age appears to be too close to Matthew's to be a brother, and also does not show in Robert Boyd's Bible list of grandchildren.

Written "James" 65 NC in 1860 a farmer.

James and Sarah were #1395 on the 1860 Tuscaloosa Co., AL census. #1394 was Martha Newell and her children and #1396 was Reuben Newell, age 35 TN, with two children, William, age 10 AL, and John, age 8 AL. It is not known what Reuben's relationship to James was, but William's age matches the William J., age 20 living with James and Sarah in 1870. Reuben would have been 15 in 1840 and could also have been the unknown male on the 1840 census. Also on this 1860 census and living separately from James and Sarah were their sons, #1411 James G. Newell, and #1412 Thomas D. Newell. Nearby was #1415 Benjamin Newell, age 15, whose relationship I have not been able to establish.

Written "James" 73 NC in 1870 a farmer.

The 1870 Tuscaloosa Co., AL census shows a number of children and grandchildren, two of whom cannot be positively sorted out; (1) J. William, age 23, and (2) William J., age 20. James' son, William J. was age 6 on the 1850 census, not with him on the 1860 census, and should be 26 by the 1870 census date.

(1) The 1870 census reverses many names and this could be James' son William J., but giving birthdate as approx. 1847. There was also a William J., age 22, on the 1870 Sanford Co., AL census living near Matthew. This William J. is a brother of Mary Elizabeth (Newell) Maddox. Mary was born Sep 14, 1833 and married William W. Maddox. I have not been able to determine their parents.

(2) William J., age 20, matches the William son of Reuben from the 1860 census. Robert Boyd Newell supposedly had two sons by his first marriage, but only Rufus has been positively identified. William J. could be the other son if Reuben and Robert are the same person. Rufus is also living with James and Sarah in 1870.

Written "Jas" 80 NC NC NC in 1880 a farmer.

James G. may have been enumerated twice in 1850: (1) as stated and (2) Tuscaloosa Co., AL Dist 1 #641 "James Gasaway Newell" 14 AL living with #641 James Pierson, an adjacent family based on land records. James G.'s Civil War record indicates he was born in Tuscaloosa Co., a farmer, 6' 3/4" tall, dark hair, blue eyes and that his father, James, received his claims. There is a "J. G. Notes for SARAH H(ORAN) NEWELL:

Written "Sarah H." 3 AL in 1850.

Sarah is listed as Sarah H. on most censuses except 1860 when she is listed as Ann. One reference has been found to indicate her name may have been Sarah Horann.

Written "Ann" 13 AL in 1860.

Written "Sarah H." 22 AL in 1870.

Written "Sarah H." 62 AL SC SC on 1910. At least by 1910, two neices begin living with Sarah: Elizabeth Newell, age 56, and Mary A. Newell, age 52 are on the 1910 census with Sarah as head of household. These are most likely the children of Elizabeth Martha Newell, Sarah's older sister.

Sarah is age 72 in 1920. Mary, age 61 is listed as sister, but should be Sarah's neice. Elizabeth isn't listed and may have died.

Notes for WILLIAM M. "BILL" KIZZIAH, JR.:

William appears to have been in Tuscaloosa Co., AL in 1840 based on the following census data:

William Kezia, Jr.: 1m <5, 2m 5-10, 1m 30-40, 2f <5, 1f 5-10, and 1f 20-30. The male age 30-40 approx. matches William's birthdate of ca1810 (earlier dates have been found) and the female age 20-30 closely matches Elizabeth's birthdate of Oct 10, 1809.

Except for the Boyd Bible entries and the census data, most of the info on William and Elizabeth (Boyd) Kizziah was extracted from the article "The William Kizziah Family" by Sandra Norris Kizziah written in "The Heritage of Tuscaloosa County, Alabama."

1860 census entry transcribed "Hizzar" age 50 SC.

12. JOHN ALEXANDER³ KIZZIAH (*POLLY² BOYD, ROBERT¹*) was born September 1, 1829 in NC. He married (1) ELIZABETH WILKINS December 14, 1850 in Tuscaloosa Co., AL. He married (2) MARTHA GRAY Abt. 1859. She was born January 1835 in AL.

Notes for JOHN ALEXANDER KIZZIAH:

There is a Tuscaloosa Co. marriage record for "John A. Keziah to Elizabeth Wilkins Dec 14, 1850." This appears to be a first marriage and the 1900 census states John and Martha have been married 41 years giving ca1859 as their marriage date.

The 1860 Fayette Co. census for Alex Kiziah 30 NC matches the birthdate for John Alexander Kizziah in the Boyd Bible. Based on that correlation, the data from the 1860 census is attached to John Alexander. John Alex's parents are unverified, but proximity to Robert on later censuses implicates him and Polly as the most likely parents. Tombstone transcription for Alex Kizziah reads Co. E, 13th Ala Partisan Rangers, CSA

Written "A. Kiriar" 50 NC SC NC in 1880 a farmer; wife Martha 44 AL TN TN.

Written "Ellie Kizzire" 70 NC NC NC in 1900 supported by their children. Dob stated as Sep 1929. This appears to confirm the match to "John Alexander Kezar" written in Robert Boyd's Bible.

15. ROBERT BOYD³ NEWELL (*SARAH "SALLY"² BOYD, ROBERT¹*) was born December 19, 1824 in NC, and died Bef. 1910 in AL (Tuscaloosa). He married (1) MARY ANN HERRIN December 10, 1846 in Tuscaloosa Co., AL. He married (2) MATILDA (TELITHA) KELLY Abt. 1859, daughter of HIRAM KELLY and SUSANNAH WILLIAMS. She was born Abt. 1837 in AL (Tuscaloosa), and died Aft. 1920 in Tuscaloosa Co., AL.

Notes for ROBERT BOYD NEWELL:

Robert has not been found on either the 1850 nor 1860 censuses yet. On the 1855 Alabama State census for Tuscaloosa Co., he is listed with two males <21 and no females. Only Rufus, born Nov 6, 1852, has been identified.

I have long suspected that the Reuben Newell on the 1860 Tuscaloosa census adjacent to James and Sarah, may actually be Robert Boyd Newell. Reuben's son, William, born c1850 matches age with the William J. Newell who is living with James and Sarah on the 1870 census. However, there is a conflict with John, born c1852, and Rufus, born Nov. 6, 1852. A possible explanation would be that John was born late 1851 - early 1852 and might have died before the 1855 census was taken.

Written "Robert" 51 NC in 1870 a farm laborer.

Written "Robbert" 60 NC NC NC in 1880 a farmer. Census header overwritten with "Steen's Beat."

On Mar 13, 1889, Robert filed a petition in Tuscaloosa Co., AL declining to administer the estate of Hiram Kelly whose will named his sole heirs as Matilda Kelly, wife of Robert, and Lively Kelly. Robert identified himself as Hiram Kelly's son-in-law.

Written "Robert" 84 AL AL AL in 1900 and living with daughter Sylvania (Newell) Dollar and her children. His birth is listed "Dec 1815" (Boyd Bible states Dec 1824). The 1900 census also states Robert and Matilda have been married 30 years implying ca1870 as marriage date, however, 1870 census does not indicate marriage within the past year.

17. UNKNOWN³ NEWELL (SARAH "SALLY"² BOYD, ROBERT¹) was born Abt. 1830 in AL.

Notes for UNKNOWN NEWELL:

Since it has not yet been possible to identify this potential Newell descendant, this file will be used to attach a number of unknown stragglers that have been identified from various censuses. As they are clarified and identified, they will be moved to the appropriate ancestor file, or removed. There are several Newells that appear to be related to James and Sarah based on census association, but their relationship has not been established. Some were actually in the James and Sarah Newell household on some censuses, or living adjacently or nearby on other censuses. Therefore, for record keeping purposes, these Newells will be attached to the Unknown Newell ancestor as a temporary pageholder..

Notes for ELIZABETH NEWELL:

In 1870 Elizabeth age 18, George age 14, and Mary age 12 are living in the James and Sarah Newell household. These are Elizabeth Martha's children.

Written "Elizabeth" 18 AL NC NC in 1880, and Mary age 20, are listed as "GDau" in the household of James and Sarah Newell. Elizabeth should be 28 at this time.

Notes for MARY A. NEWELL:

Listed "Mary" 1 AL in 1860 and living in the John and Elizabeth Turner household. (I believe those pages were mis-numbered and Mary, who is listed at the top of the page, is actually a continuation of Martha's household which has George W. on the bottom line. The John Turner household has additional blank lines below them and makes Mary's following page listing non-sensical.)

In 1870 Mary is living in her grandparents James and Sarah Newell household.

Written "Nary" 20 AL NC NC, and Elizabeth age 18, are listed as "GDau" living with James and Sarah in 1880. (Elizabeth should be age 28).

In 1910, she is listed as "Mary A., niece" in the household of Sarah H. Newell.

In 1920, she is listed as "sister" but should be "niece" in Sarah H. Newell household.

19. JOHN A(LEXANDER)³ NEWELL (SARAH "SALLY"² BOYD, ROBERT¹) was born Abt. 1837 in Tuscaloosa Co., AL, and died April 11, 1862 in Civil War. He married EMILY ABBOT, daughter of (--?--) ABBOT and MARY (--?--). She was born March 1836 in AL.

Notes for JOHN A(LEXANDER) NEWELL:

Written "John A." 13 AL in 1850. John may have been enumerated twice in 1850: (1) as stated and (2) Tuscaloosa Co., AL Dist 1 #641 "John Newell" 12 AL living with James Pierson, an adjacent family. This same scenario exists with his brother, James G.

In 1860, there is a John Newell in Fayette Co. living with Martin Lawrence at Millport. The household #416 is quite near #412 Matthew Newell, and in 1870, Emily Newell, widow of John Newell is #7 on the census near Robert Newell who is #2 on that census. John's Civil War record indicated that he was a teamster.

Emily Newell's Civil War Pension Application indicates John's dod as Jul 4, 1862 and was a Pvt.

Written "Emily" 41 AL SC SC in 1880 and living in the Drury Dobbins 31 AL household as a housekeeper.

Written "Emily" 64 AL SC SC in 1900 widowed and living in her son John William's household. The 1900 census indicates that she has had one child and one living. Census states dob as Mar 1836.

Written "Emily" 73 AL SC SC in 1910 widowed and living in the Lando and Nancy Wigginton household. They are four households from her son John W. Newell and family. She is identified on the census as "mother" and indicates that she has borne four children and three are living. This implies that Lando is one of her children. Lando's birthdate matches Glovinia's and they could have been twins - relationship still being researched.

Notes for REV. THOMAS DIDYMUS "DIT" NEWELL:

Written "Thomas D." 12 AL in 1850.

Thomas married the Civil War widow, Martha (Williams) Snider. Two of her children, Mary J., bc1860 and William H., bc1862 are with the family on the 1870 and 1880 censuses. Thomas was a minister who performed the marriage for each of his children, except Thomas Matthew who died relatively young. The family moved to the vicinity of Phil Campbell, Franklin Co., AL sometime after 1885.

Written "T. D." 40 AL NC NC in 1880 a farmer.

Thomas' age has been a problem: he is 12 on 1850 census, 18 on 1860 census, 32 on 1870 census, 40 on 1880 census, and listed as born Nov. 1839 on 1900 census.

21. WILLIAM JASPER³ NEWELL (*SARAH "SALLY"² BOYD, ROBERT¹*) was born April 16, 1844 in Tuscaloosa Co., AL, and died in Verona, Lee Co., MS. He married SUSAN ANN BALLARD September 8, 1871 in Tupelo, Lee Co., MS, daughter of THOMAS BALLARD and MARY SANDLIN. She was born July 4, 1854 in Lee Co., MS, and died May 22, 1930 in Lee Co., MS.

Notes for WILLIAM JASPER NEWELL:

Written "Wm. J." 6 AL in 1850.

William J. is a mystery. The only absolute identification of him as the son of James and Sarah is the 1850 Tuscaloosa Co. census, bc1844, and living with his parents. There are several records that have not been absolutely tied to this William. In 1870, there is a J. William, age 23 and a William J., age 20, working on the farm and living with James and Sarah. The J. William may be William Jasper. But in 1870 there is also a William J., age 22 on the Sanford Co., AL census at Big Pond Pct #2, line #51. Matthew is #61 on this same census. Several of James and Sarah's sons bought lands adjacent to Matthew in Sanford/Lamar Co. in the early 1850s, including James G. and John.

William enlisted in the Civil War in Tuscaloosa Co. in 1863. According to his tombstone inscription, he served in Co I, Pattersons Rgt, CSA. (A military pension located in the MS State Archives identifies a W. J. Newell as being in Co A, 30th Reg., Georgia Vol. Infantry, Army of Tennessee, CSA, Butts Co., GA, "Butts Invincibles." This company became Co I upon reorganization in 1862. -- S. Royal). It isn't known for sure if this W. J. Newell in the GA unit is the same as William Jasper. (Research indicates that Col. Josiah Patterson was the commander of the 5th Ala Cav Rgt and this could have been William's unit. -JTN). This unit also recruited from Tuscaloosa Co.

Written "J. William" 23 AL in 1870 a farm worker. The "J" appears to have been added in front of the name "William" after the enumerator listed him. This is probably William Jasper although there is no way to prove it.

William was not listed with the family in 1880 and hasn't been found yet. Susan and the children were living in her parents' household.

Written "W. J." 66 AL NC NC in 1900 a farmer. Dob stated as Apr 1844.

Written "William J." 67 AL NC NC in 1910 a farmer.

Written "William J." 77 AL NC NC in 1920 living in James A. Gray household and labeled "father-in-law".

Appears to be written "Bill" 86 MS MS MS in 1930 -- transcribed "Ben" and living in Jim Gray household labeled "father-in-law."

Notes for JAMES R. KIZZIAH:

Listed as "R. James Kisiah" age 23. Most names are completely reversed on 1870 census so this is James R. Adjacent to Rufus in 1870.

Appears to be written "James Sr" age 35 AL NC GA in 1880. Mother's birthplace doesn't match known data and wife's name is different, but first child is William R. age 11 that matches William R. born cal 1868 from 1870 cneus. May be a 2nd marriage -- needs further research.

Written "James" age 53 in 1900. The only common thread tying the 1880 and 1900 censuses together is the presence of "mother-in-law" on both films. In 1880 is Frances Thompson age 53 AL AL AL and in 1900 is Frances B. Thomas 73 GA GA GA. These are similar but enough differences to warrant further research. James' wife's name was Runa Lavine age 25 in 1880 and Lurena S. age 43 in 1900 - again similarities but differences.

In 1900 "Kerby" Kizziah was nearby but his parents are undetermined at this time.

Notes for ELIJAH "LIGE" N. KIZZIAH:

Sources indicate that Elijah is a son of William, however, he is not listed on 1860 Tuscaloosa Co., AL census as part of William's family. There is an Edward R. born ca1850 and they could be the same person. A similar situation occurs with Edward (ca1817) who had a son Edward N. on 1860 born ca1851 that equates to Elisha on 1870 census born ca1851 in Edward's household.

However, censuses from 1880 on list "Elijah" in various forms and he shares many similarities with the aforementioned "Edward N." who is son of Edward Kizziah. Therefore, Elijah's parentage remains uncertain.

On 1870 census "Elisha Kesiah" age 20 is in William's household. This corresponds to Edward R.'s birth given on 1860 census.

1880 census entry reads "Elijah Kiziah" age 34. Joseph Ray age 30, and Dawson Ray age 27, and their families are the two adjacent households in 1880.

Appears to be written "Lige N." on 1900 census but transcribed "Lige A." Birthdate stated as "Oct 1852."

Written "Lige" 57 AL SC SC in 1910 a farmer. He is among a group of Kizziahs that include Alex age 31 household #149, Elisha "Lish" age 28 household #150, Mack age 31 household #148, and Enoch Monroe age 54 household #147. Census indicates 2nd marriage.

Notes for ANNA LUELLA NEWELL:

MS Marriage listing for "W. J. Hankins to Anna Newell" 5 Jan 1891 Lowndes Co., MS.

Written "Annie E." on 1900 census. 1900 census states Anna has borne six children and five are living, however the oldest two should be Louisa's children based on family records. That leaves only four on 1900 census that should be Anna's.

The 1910 census states that Anna has borne six children and six are living although there are clearly seven children listed on census that should be attributed to Anna.

72. REUBEN⁴ NEWELL (*UNKNOWN*³, SARAH "SALLY"² BOYD, ROBERT¹) was born Abt. 1825 in TN.

Notes for REUBEN NEWELL:

The 1860 census writing has been rendered by various researchers, including this one, as Rewlen. However,

Reuben would seem to be a more appropriate interpretation. He is adjacent to James and Sarah who are #1395 on this census. Martha, dau of James and Sarah is #1394 on this census.

I have long suspected that this Reuben might actually be Robert Boyd Newell who hasn't been found on the 1860 census yet. Robert is on the 1855 State census with two males <21, one of whom has been identified as Rufus M. Newell, born November 6, 1852. Reuben's son, William, born c1850 matches age with the William J. Newell who is living with James and Sarah on the 1870 census. However, there is a conflict with John, born c1852, and Rufus, born Nov. 6, 1852. One explanation could be that John was born late 1851 - early 1852 and might have died before the 1855 census was taken.

73. ALA⁴ NEWELL (*UNKNOWN*³, SARAH "SALLY"² BOYD, ROBERT¹) was born Abt. 1827 in NC, and died Bef. 1870 in Tishomingo Co., MS. He married NANCY WHITAKER. She was born January 19, 1826 in AL, and died December 13, 1900.

Notes for ALA NEWELL:

The family of Ala and Nancy Newell has been reconstructed based on census data from 1850 Tuscaloosa Co., AL, 1870 and 1880 Tishomingo Co., MS, 1900 Franklin Co., AL, and 1894/5 Tishomingo County school records. The following was found on the 1880 Tishomingo Co., MS census Dist 5, Beat 5, pg 95c:

Nancy Newell Head Widow 54 AL GA GA
Francies M. Newell Sister Single 21 AL AL AL
George W. Newell Son Single 20 AL AL AL
Jane P. Newell Dau Single 18 AL AL AL
John W. Hallmark G Son Single 13 MS MS AL

Francies M. is actually Francis M. and should be a Son, not a Sister. Nancy was living with Francis M. Newell in 1900 Franklin Co., AL.

There was found an LDS file for George Washington Newell, born 10 Apr 1860 with parents shown as Alec Newell and Nancy Whitaker.

Ala could be short for Alexander, but he has appeared variously as Aley and Alec, and has not been located since the 1850 Tuscaloosa Co., AL census. If the 1870 Tishomingo Co., MS census birthplaces are correct, the earliest that the family arrived in MS would be about 1866/7.

Written "Ala" 23 NC in 1850 a farmer.

From the book "Tishomingo County Mississippi - History & Families" page 358 article on Jasper Newton Hutcheson (who married Nancy Elizabeth Newell --dau of Aley and Nancy): "Aley and Nancy were early settlers of the Old Bethel Community in South Tishomingo. Aley mysteriously disappeared when a wagon train passing through broke down near his home. He went to help them get started and he was never seen again by his family." This event must have occurred sometime between 1866 and the 1870 census taking.

76. WILLIAM J.⁴ NEWELL (*UNKNOWN*³, SARAH "SALLY"² BOYD, ROBERT¹) was born October 1850 in AL, and died March 23, 1926 in Tuscaloosa Co., AL. He married MARY JANE WILLIAMS Abt. 1878 in Tuscaloosa Co., AL, daughter of CHARLES WILLIAMS and ELIZABETH (--?--). She was born October 2, 1858 in AL, and died March 24, 1928 in AL.

Notes for WILLIAM J. NEWELL:

There is a Tuscaloosa Co. marriage record for W. J. Newell to M. J. Williams. On the 1870 Sanford Co., AL census is a William J. Newell age 22 (ca1848) living with William and Mary Elizabeth (Newell, ca1833) Maddox. Apparently this William is Mary's brother - have not been able to determine their parents.

Written "W. J." 25 AL NC NC in 1880 a farmer. This would place W. J.'s birth about 1855. Wife is named "Jane." This is the 1st relatively clear census that allows this "William J." to be tracked.

Written "Wm. J. Newel" 48 AL AL AL in 1900 a farm laborer. Census lists dob as Oct 1850 and married 22 years. On the 1900 Jefferson Co., AL Soundex, there is a William, born Oct 1850, and M. J., born Oct 1858, with seven children. Then there is a cemetery record for W. J. Newell, born 28 May 1850 and Mary J. Newell born 2 Oct 1858, buried at Pleasant Grove Cemetery in Tuscaloosa Co. These age discrepancies are problematic, and it is very possible that this census data might be for a grandson or nephew of James and Sarah, or even two different William J. Newells.

Written "William" 64 AL AL AL in 1910 a coal miner. Age should probably be about 58 because census tracks with 1900 by matches on wife and two children.

Written "Wm. J." 69 AL NC AL in 1920. Census tracks with 1900 by three matching children.
