### *Generation No. 2*

2. MATTHAUS<sup>2</sup> JUNGHANSS (*MATTHEUS*<sup>1</sup>) was born July 16, 1692 in Ensingen, Neckarkreis, Wuerttemberg, and died Abt. 1770. He married ANNA MARGARETHA SEITERS November 11, 1721 in Evangelisch, Flacht, Neckarkreis, Wuerttemberg, daughter of HANS SEITTER and MAGDALENA VON MAURER. She was born May 5, 1700 in Evangelisch, Flacht, Neckarkreis, Wuerttemberg.

Notes for MATTHAUS JUNGHANSS:

From the records entered in the book "Ortsgeschichte Flacht" by Willy Schray for 1742:

Junghans Matthaues, blacksmith, son of Matthaues, butcher from Ensingen, marries 11 November 1721

Margarete Seitter.

Junghans Margarete, daughter of Hans Jerg, cart-wheelmaker. From her father they get 89 Gulden and 42 Kreuzer (money of that time) for the journey to Pennsylvania. They emigrate with their six children;

Junghans Magdalene Sybilla, born October 10, 1723,

Junghans Clara, born June 10, 1725,

Junghans Georg Leonhard, born December 20, 1729,

Junghans Regina, born December 21, 1731,

Junghans Matthias, born April 16, 1734,

Junghans Magnus, born September 5, 1737.

This accounts for all the family that shows up in the Hudson Valley in the mid 1700s except for Cristianus, who is not shown emigrating, and Magnus, who has not been found in NY. Since Henrich was christened in Albany, NY in 1740, the date of 1742 would appear to be a "record entry" date rather than an actual emigration date.

May 3, 1744, Matthias Junghans & wife, Margreta, were baptismal sponsors for a baptism at Ancram and recorded in the records of Zion Evangelical Lutheran Church, Athens, Greene Co., NY.

Oct 30, 1745, Matthys & Margreta Junghans, were baptismal sponsors for their grandson, Christianus, son of Marlena Sibylla Junghansin, baptized at Ancram and recorded in the records of Zion Evangelical Lutheran Church, Athens, Greene Co., NY.

6. HENRICH<sup>3</sup> JUNGHANS (*MATTHAUS<sup>2</sup> JUNGHANSS, MATTHEUS<sup>1</sup>*) was born February 3, 1740 in Albany, NY. He married (1) SARA (--?--). She died April 25, 1770 in Dutchess Co., NY. He married (2) MARIA (--?--).

Notes for HENRICH JUNGHANS:

Henrich JUNGHANS was first identified at Rhinebeck St. Peters Lutheran Church, Dutchess Co., NY with the birth of Mathias in 1767. Then he appeared at Pine Plains Round Top Lutheran Church, Dutchess Co., NY in 1768 with the christening of a second child, Catharina. It cannot be positively stated that the records related to the person named Henrich JUNGHANS in these early periods are the same person, but Henrich appears on land records near Sand Lake, Rensselaer Co., NY by 1790, on various records associated with Columbia Co., NY, and then, Henry YONKHANS is on the 1800 Columbia Co., NY census at Livingston. Mathias (first child of Henrich and Sara) and his descendants seemed to be concentrated at Sand Lake, Rensselaer Co., while Michael (second child of Henrich and Maria) and his descendants settled mostly in Columbia Co. (Livingston, Gallatin, Ancrum). Michael appears to have moved to Schodac in Rensselaer Co. about 1815 based on census information.

IMPORTANT NOTE: No record has yet been found confirming that the apparent 2nd marriage to Maria is for the same Henrich JUNGHANS. Deduction that he is same person is based on the common association with Pine Plains Round Top Lutheran Church where (1) 2nd child of Henrich and Sara was christened in 1768, (2) where Sara died in 1770 and is buried, and (3) where 1st child of Henrich and Maria was christened in 1772, all within a 4-year time span.

1800: Written "Henry Yonkhans" 1m >45, 1m 16-26, 1f 26-45, 1f 16-26. (Henry would be 60 in 1800)

Notes for SARA MARIA JUNGHANS:

Burial information: Sarah Maria Garrison Younghans died at 35Y, 5M, 20D, parents shown as Winant and Hannah Younghans. However, her husband is identified as Dr. Platt Burton who died in 1844. Dr. Burton's burial info lists his wife as Sarah Maria G. Younghans, therefore making it difficult to sort out based on this limited data.

Listed "Sarah M. Garrison" 34 NY in 1850. I believe this is the same Sarah Younghans and there are two "Garrison" children on the 1850 census, Egbert age 9 and John age 7. Since the ages are prior to Calvin's 1st wife Ann's death, they would appear to be children of Calvin's 1st marriage.

The family's arrival in Texas is not known, so James could have been born in MS but indicates TX on 1860 census.

Written "Jensison" 7 TX in 1860. He and next line (Joana) are marked "twins." Implied surname is "Hance."

Written "James Younghance" 16 AL in 1870 making birth ca1854. He is a farm worker for the William W. Poole family.

Written "James Younghance" 22 AL AL AL in 1880 a farm worker for W. W. Pool. His age would indicate a birth ca1858.

Written "Jim M." 48 TX TX TX in 1900 a farmer - transcribed "Jinnie." His twin sister, Joanna Nichols and nephew, Edward J. Nichols are living in the household. Birthdate given for both James and Joanna is Feb 27, 1852 Texas.

Written "James E. Younghaus" 58 NC NC VA in 1910 a farmer and Joanna (listed as Joe Nichols, widowed sister) is living with him but indicating she had no children. His age is correctly given as 58, but hers is listed as 40. The 1910 census states that James, Joanna, and their father were born in NC, and mother in VA, which would be completely false. These discrepancies are difficult to rationalize.

1920 appears written "Young Hanc E" (transcribed "Harc E. Young") age 67 TX Holland Holland indicating that James probably didn't really know where his parents were from. Twin sister Joanna is still living with him.

**38.** JOHN WOFFORD<sup>6</sup> YOUNGHANSE (*EDWARD LOUIS<sup>5</sup> JUNGHANS, MICHAEL<sup>4</sup>, HENRICH<sup>3</sup>, MATTHAUS<sup>2</sup> JUNGHANSS, MATTHEUS<sup>1</sup>*) was born February 22, 1850 in Scott Co., MS, and died January 13, 1935 in Lamar Co., AL. He married (1) MOLLIE E. MAXWELL December 5, 1875 in Lee Co., MS. She was born Abt. 1856 in MS, and died Bef. 1900 in AR. Notes for JOHN WOFFORD YOUNGHANSE:

Family lore indicates that John Wofford had eleven children by his first marriage and that most of them died in some type of epidemic in Arkansas. Five children have been identified from censuses. There are other identities that cannot be positively connected to the family. He came back to Lamar Co., AL and remarried in 1903.

Written "Warford" 10 MS in 1860. Implied surname is "Hance."

Written "John Younghan?" 30 TX AL AL in 1880 a farmer. However, he was actually born in Scott Co., MS. Transcribed "Younghana."

There is a "Benjamin Youngharle" on the 1880 Lee Co. MS mortality schedule. Ben was born in AL ca1879 which would agree closely with Luella's AL birthdate and place as indicated on the 1900 census.

Appears to be written "John Younghance" 50 Unk Unk Unk in 1900 a farmer and widowed head of household with four children. Dob stated as Feb 1850 and transcribed "Younghanes."

Written "John W." 60 MS Ger AL in 1910 a farmer and census indicates a 2nd marriage of four years. Transcribed "Younghans."

Written "John W." 60 MS Ger AL in 1920 a farmer. He should be 70. Appears to be written "Younghance" but transcribed "Lounghance."

Written "John W." 80 AL AL AL in 1930 and living in household headed by son Murphy.

AL Death listing for "Wofford Younghouse" Jan 1935 Lamar Co., AL.

There is a "J. T. Younghans" born 1891 AR that is living in Nashville, Howard Co., AR in 1920 and indicating both parents born MS. The age and lack of data put him in the "suspect" category as a possible child of John and Mollie. His age matches well with Tabathia who was born Sept 1890 and was supposed to have been deceased by 1919.

In 1930, Murphy is listed as head-of-household although his parents John and Mary are living there as well as his siblings. Welthey and Eldridge are not with the family in 1930.

Notes for TABATHIA YOUNGHANCE:

The name was pronounced as "Tabathey", but spelled Tabathia on William Ausborn's SSN application.

Written "Tabathey" 9 AR Unk MS in 1900 - transcribed "Tobathy."

Transcribed "Tebohin Youngham" 20 AR AL AL in 1910 a hired hand living in the Houston White household. However, Tabathy's parents were both born in MS.

At this point circumstances surrounding Tabathey become confusing. Some family sources say he died in Gibson Co., TN while working with his brother Cletus. His wife, Etta, returned to Fayette Co., AL and remarried. Other family sources state he may have abandoned the family and this makes the 1920 AR census finding more intriguing.

There is a "J. T. Younghans" 29 AR MS MS in 1920 a railroad bridgeman and wife, Maggie 26 AR AL AL on the Howard Co., AR census. The age matches Tabathia's age. This record will be attached to Tabathia's data pending further research.

Written "T. E. Yungblood" 39 AR TN MS in 1930 and wife Maggie - the only suspects found in 1930.
