

Descendants of James Newell

Generation No. 1

1. JAMES¹ NEWELL was born Abt. 1795 in NC (Mecklenburg?), and died Aft. 1880 in Tuscaloosa Co., AL. He married SARAH "SALLY" BOYD Abt. 1823 in probably Mecklenburg Co., NC, daughter of ROBERT BOYD and TEMPERANCE PITMAN. She was born July 8, 1807 in Mecklenburg Co., NC, and died Aft. 1880 in Tuscaloosa Co., AL.

Notes for JAMES NEWELL:

The 1840 Tuscaloosa Co., AL census age brackets account for all the known children of James and Sarah (Boyd) Newell. However, there is one additional unknown male in the 10-15 age bracket.

1840 Tuscaloosa Co., AL: James Newell; 3m <5, 2m 10-15, 1m 15-20, 1m 30-40, 1f 5-10, 1f 30-40.

Written "James" 55 NC in 1850 a farmer.

1850 Tuscaloosa Co., AL State census: 4m <21, 1m >21, 1m >45, 2f <21, 1f >21 for a total of 8 in the family.

In addition to James and Sarah, the 1850 Tuscaloosa Co. census included Ala Newell, age 23 NC, with his wife Nancy, age 23 AL, and two children, Martin Van Buren Newell, age 3 AL and Mary C., age 9/12 AL. I have not been able to establish their relationship to James and Sarah. Ala would have been 13 in 1840 and could match the unknown male in the 1840 James Newell household. Being born in 1827, Ala's age appears to be too close to Matthew's to be a brother, and also does not show in Robert Boyd's Bible list of grandchildren.

Written "James" 65 NC in 1860 a farmer.

James and Sarah were #1395 on the 1860 Tuscaloosa Co., AL census. #1394 was Martha Newell and her children and #1396 was Reuben Newell, age 35 TN, with two children, William, age 10 AL, and John, age 8 AL. It is not known what Reuben's relationship to James was, but William's age matches the William J., age 20 living with James and Sarah in 1870. Reuben would have been 15 in 1840 and could also have been the unknown male on the 1840 census. Also on this 1860 census and living separately from James and Sarah were their sons, #1411 James G. Newell, and #1412 Thomas D. Newell. Nearby was #1415 Benjamin Newell, age 15, whose relationship I have not been able to establish.

1866 Tuscaloosa Co., AL T21S/R7W: James Newell; 1m <10, 2m 10-20, 3m >20, 1f <10, 2f 10-20, 1f >20 for total of 10 in family. Adjacent to "Susan Kelly" family - probably Susannah.

1866 Tuscaloosa Co., AL White Population: James Newell; 1m <10, 2m 10-20, 1m 20-30, 1m 40-50, 1m 50-60, 1m 60-70, 1f <10, 2f 10-20, 1f 60-70 for a total of ten in family. Census marks one soldier died of sickness and one disabled. Adjacent to Susan Kelly.

Written "James" 73 NC in 1870 a farmer.

The 1870 Tuscaloosa Co., AL census shows a number of children and grandchildren, two of whom cannot be positively sorted out; (1) J. William, age 23, and (2) William J., age 20. James' son, William J. was age 6 on the 1850 census, not with him on the 1860 census, and should be 26 by the 1870 census date.

(1) The 1870 census reverses many names and this could be James' son William J., but giving birthdate as approx. 1847. There was also a William J., age 22, on the 1870 Sanford Co., AL census living near Matthew. This William J. appears to be a brother of Mary Elizabeth (Newell) Maddox. Mary was born Sep 14, 1833 and married William W. Maddox. I have not been able to determine their parents.

(2) William J., age 20, matches the William son of Reuben from the 1860 census. Robert Boyd Newell supposedly had two sons by his first marriage, but only Rufus has been positively identified. William J. could be the other son if Reuben and Robert are the same person. Rufus is also living with James and Sarah in 1870.

Written "Jas" 80 NC NC NC in 1880 a farmer.

Notes for SARAH H(ORAN) NEWELL:

Written "Sarah H." 3 AL in 1850.

Sarah is listed as Sarah H. on most censuses except 1860 when she is listed as Ann. One reference has been found to indicate her name may have been Sarah Horann.

Written "Ann" 13 AL in 1860.

Written "Sarah H." 22 AL in 1870.

Written "Sarah H." 62 AL SC SC on 1910. At least by 1910, two neices begin living with Sarah: Elizabeth Newell, age 56, and Mary A. Newell, age 52 are on the 1910 census with Sarah as head of household. These are most likely the children of Elizabeth Martha Newell, Sarah's older sister.

Sarah is age 72 in 1920. Mary, age 61 is listed as sister, but should be Sarah's neice. Elizabeth isn't listed and may have died.

Generation No. 2

2. ROBERT BOYD² NEWELL (*JAMES*¹) was born December 19, 1824 in NC, and died Bef. 1910 in AL (Tuscaloosa). He married (1) MARY ANN HERRIN December 10, 1846 in Tuscaloosa Co., AL. He married (2) MATILDA (TELITHA) KELLY Abt. 1859, daughter of HIRAM KELLY and SUSANNAH WILLIAMS. She was born Abt. 1837 in AL (Tuscaloosa), and died Aft. 1920 in Tuscaloosa Co., AL.

Notes for ROBERT BOYD NEWELL:

AL Marriage listing for "Robert Newell to Mary Ann Herrin" 10 Dec 1846 Tuscaloosa Co., AL.

Robert has not been found on either the 1850 nor 1860 censuses yet.

1855 Tuscaloosa Co., AL: Robt Newell; 2m <21, 1m >21, 2f >21 for a total of five in family. Only Rufus, born Nov 6, 1852, has been positively identified. One of the >21 females is possibly Mary Ann, the other one is unknown.

I have long suspected that the Reuben Newell on the 1860 Tuscaloosa census adjacent to James and Sarah, may actually be Robert Boyd Newell. Reuben's son, William, born c1850 matches age with the William J. Newell who is living with James and Sarah on the 1870 census. However, there is a conflict with John, born c1852, and Rufus, born Nov. 6, 1852. A possible explanation would be that John was born late 1851 - early 1852 and might have died before the 1855 census was taken.

CSA record for "Pvt Robert Newel" enlisted Jul 22, 186x Tuscaloosa, AL Co G 3rd Alabama Reserves Home Guards. Insufficient info to determine if same person.

Written "Robert" 51 NC in 1870 a farm laborer.

Written "Robbert" 60 NC NC NC in 1880 a farmer. Census header overwritten with "Steen's Beat."

On Mar 13, 1889, Robert filed a petition in Tuscaloosa Co., AL declining to administer the estate of Hiram Kelly whose will named his sole heirs as Matilda Kelly, wife of Robert, and Lively Kelly. Robert identified himself as Hiram Kelly's son-in-law.

Written "Robert" 84 AL AL AL in 1900 and living with daughter Sylvania (Newell) Dollar and her children. His birth is listed "Dec 1815" (Boyd Bible states Dec 1824). The 1900 census also states Robert and Matilda have been married 30 years implying ca1870 as marriage date, however, 1870 census does not indicate marriage within the past year.

Notes for UNKNOWN NEWELL:

Since it has not yet been possible to identify this potential Newell descendant, this file will be used to attach a number of unknown stragglers that have been identified from various censuses. As they are clarified and identified, they will be moved to the appropriate ancestor file, or removed. There are several Newells that appear to be related to James and Sarah based on census association, but their relationship has not been established. Some were actually in the James and Sarah Newell household on some censuses, or living adjacently or nearby on other censuses. Therefore, for record keeping purposes, these Newells will be attached to the Unknown Newell ancestor as a temporary pageholder.

Notes for MARY A. NEWELL:
Listed "Mary" 1 AL in 1860 and living in the John and Elizabeth Turner household. (I believe those pages were mis-numbered and Mary, who is listed at the top of the page, is actually a continuation of Martha's household which has George W. on the bottom line. The John Turner household has additional blank lines below them and makes Mary's following page listing non-sensical.)
Written "Mary" 14 AL in 1870 at home living in her grandparents James and Sarah Newell household. Along with George 14 and Elizabeth 18, these are Elizabeth Martha's children and James' grandchildren.
Written "Nary" 20 AL NC NC, and Elizabeth age 18, are listed as "GDau" living with James and Sarah in 1880. (Elizabeth should be age 28).

Written "Emily" 64 AL SC SC in 1900 widowed and living in her son John William's household. The 1900 census indicates that she has had one child and one living. Census states dob as Mar 1836.

Written "Emily" 73 AL SC SC in 1910 widowed and living in the Lando and Nancy Wigginton household. They are four households from her son John W. Newell and family. She is identified on the census as "mother" and indicates that she has borne four children and three are living. This implies that Lando is one of her children. Lando's birthdate matches Glovinia's and they could have been twins - relationship still being researched.

8. WILLIAM JASPER² NEWELL (*JAMES*¹) was born April 16, 1844 in Tuscaloosa Co., AL, and died in Verona, Lee Co., MS. He married SUSAN ANN BALLARD September 8, 1871 in Tupelo, Lee Co., MS, daughter of THOMAS BALLARD and MARY SANDLIN. She was born July 4, 1854 in Lee Co., MS, and died May 22, 1930 in Lee Co., MS.

Notes for WILLIAM JASPER NEWELL:

Written "Wm. J." 6 AL in 1850.

William J. is a mystery. The only absolute identification of him as the son of James and Sarah is the 1850 Tuscaloosa Co. census, bc 1844, and living with his parents. There are several records that have not been absolutely tied to this William. In 1870, there is a J. William, age 23 and a William J., age 20, working on the farm and living with James and Sarah. The J. William may be William Jasper. But in 1870 there is also a William J., age 22 on the Sanford Co., AL census at Big Pond Pct #2, line #51. Matthew is #61 on this same census. Several of James and Sarah's sons bought lands adjacent to Matthew in Sanford/Lamar Co. in the early 1850s, including James G. and John.

William enlisted in the Civil War in Tuscaloosa Co. in 1863. According to his tombstone inscription, he served in Co I, Pattersons Rgt, CSA. (A military pension located in the MS State Archives identifies a W. J. Newell as being in Co A, 30th Reg., Georgia Vol. Infantry, Army of Tennessee, CSA, Butts Co., GA, "Butts Invincibles." This company became Co I upon reorganization in 1862. -- S. Royal). It isn't known for sure if this W. J. Newell in the GA unit is the same as William Jasper. (Research indicates that Col. Josiah Patterson was the commander of the 5th Ala Cav Rgt and this could have been William's unit. -Jim N). This unit also recruited from Tuscaloosa Co.

Written "J. William" 23 AL in 1870 a farm worker. The "J" appears to have been added in front of the name "William" after the enumerator listed him. This is probably William Jasper although there is no way to prove it. The age is about three years off.

William was not listed with the family in 1880 and hasn't been found yet. Susan and the children were living in her parents' household.

Written "W. J." 66 AL NC NC in 1900 a farmer. Dob stated as Apr 1844.

Written "William J." 67 AL NC NC in 1910 a farmer.

Written "William J." 77 AL NC NC in 1920 living in James A. Gray household and labeled "father-in-law".

Appears to be written "Bill" 86 MS MS MS in 1930 -- transcribed "Ben" and living in Jim Gray household labeled "father-in-law."

9. WILLIAM JENNINGS³ NEWELL (*ROBERT BOYD*², *JAMES*¹) was born October 1850 in Vance, Tuscaloosa Co., AL, and died March 22, 1926 in Abernant, Tuscaloosa Co., AL. He married MARY JANE WILLIAMS Abt. 1878 in Tuscaloosa Co., AL, daughter of ISAAC WILLIAMS and ELIZABETH (--?--). She was born October 2, 1858 in AL, and died March 24, 1928 in Powhatan, Jefferson Co., AL.

Notes for WILLIAM JENNINGS NEWELL:

There is a Tuscaloosa Co. marriage record for W. J. Newell to M. J. Williams.

Written "William J." 20 AL in 1870 a farm worker and living in the James and Sarah Newell household. Along with Rufus also living there, it appears these are Robert's children and James' grandchildren. There is also William J. Newell 22 (ca1848) living with William and Mary Elizabeth (Newell, ca1833) Maddox on the 1870 Sanford Co., AL census. Apparently this William is Mary's brother - have not been able to determine their parents.

Written "W. J." 25 AL NC NC in 1880 a farmer. This would place W. J.'s birth about 1855. Wife is named "Jane." This is the 1st relatively clear census that allows this "William J." to be tracked.

Written "Wm. J. Newel" 48 AL AL AL in 1900 a farm laborer. Census lists dob as Oct 1850 and married 22 years. On the 1900 Jefferson Co., AL Soundex, there is a William, born Oct 1850, and M. J., born Oct 1858, with seven children. Then there is a cemetery record for W. J. Newell, born 28 May 1850 and Mary J. Newell born 2 Oct 1858, buried at Pleasant Grove Cemetery in Tuscaloosa Co. These age discrepancies are problematic and prevents absolute identity if one person or two.

Written "William" 64 AL AL AL in 1910 a coal miner. Age should probably be about 58 because census

tracks with 1900 by matches on wife and two children.

Written "Will J." 69 AL NC AL in 1920 no occupation. Census tracks with 1900 by three matching children. Transcribed "Wall J."

AL Death record for "William J. Newell" dob c1851 Vance, Tuscaloosa Co., AL and dod 22 Mar 1926 Abernant, Tuscaloosa Co., AL age 75y11m11d. (Note: this yields dob 11 Apr 1850). Names spouse "Mary J. Newell" and father "Robert Newell." Note (Dec 2, 2009): This record appears to identify the 2nd child of Robert Boyd and Mary Ann (Herrin) Newell that has been so elusive. It would confirm the two <21 males on the 1855 State census for Robert Newell.

Written "Wm. R." 17 AL AL AL in 1900 a saw mill laborer. Dob stated Mar 1883 but "1883" is heavily written over a previous entry and could be "1882" due to age stated for next child- Sep 1883. The 1910 census states that Anna has borne six children and six are living although there are clearly seven children listed on census that should be attributed to Anna.

28. REUBEN³ NEWELL (*UNKNOWN², JAMES¹*) was born Abt. 1825 in TN.

Notes for REUBEN NEWELL:

Written "Rewlen" 35 TN in 1860 - no occupation given. Transcribed "Reuben." He is adjacent to #1395 James and Sarah Newell. Martha, dau of James and Sarah is #1394 on this census.

I have long suspected that this Reuben might actually be Robert Boyd Newell who hasn't been found on the 1860 census yet. Robert is on the 1855 State census with two males <21, one of whom has been identified as Rufus M. Newell, born November 6, 1852. Reuben's son, William, born c1850 matches age with the William J. Newell who is living with James and Sarah on the 1870 census. However, there is a conflict with John, born c1852, and Rufus, born Nov. 6, 1852. One explanation could be that John was born late 1851 - early 1852 and might have died before the 1855 census was taken.

More About REUBEN NEWELL:

Fact 1: 1860, Tuscaloosa Co., AL Collins #1535/1396

Children of REUBEN NEWELL are:

- i. WILLIAM⁴ NEWELL, b. Abt. 1850, AL.

Notes for WILLIAM NEWELL:

Written "William" 10 AL in 1860. If William's father is in fact Robert Boyd Newell, then this is probably William Jennings Newell identified on later censuses.

More About WILLIAM NEWELL:

Fact 1: 1860, Tuscaloosa Co., AL Collins #1396

- ii. JOHN NEWELL, b. Abt. 1852, AL.

Notes for JOHN NEWELL:

Written "John" 8 AL in 1860. If this is in fact Robert Boyd Newell, then John's birth c1852 would seem to conflict with Rufus born Nov 6, 1852 a known son of Robert Boyd Newell. Rufus has not yet been found in 1860.

29. ALA³ NEWELL (*UNKNOWN², JAMES¹*) was born Abt. 1827 in NC, and died Bef. 1870 in Tishomingo Co., MS. He married NANCY WHITAKER. She was born January 19, 1826 in AL, and died December 13, 1900.

Notes for ALA NEWELL:

The family of Ala and Nancy Newell has been reconstructed based on census data from 1850 Tuscaloosa Co., AL, 1870 and 1880 Tishomingo Co., MS, 1900 Franklin Co., AL, and 1894/5 Tishomingo County school

records. The following was found on the 1880 Tishomingo Co., MS census Dist 5, Beat 5, pg 95c:

Nancy Newell Head Widow 54 AL GA GA
Francies M. Newell Sister Single 21 AL AL AL
George W. Newell Son Single 20 AL AL AL
Jane P. Newell Dau Single 18 AL AL AL
John W. Hallmark G Son Single 13 MS MS AL

Francies M. is actually Francis M. and should be a Son, not a Sister. Nancy was living with Francis M. Newell in 1900 Franklin Co., AL.

There was found an LDS file for George Washington Newell, born 10 Apr 1860 with parents shown as Alec Newell and Nancy Whitaker.

Ala could be short for Alexander, but he has appeared variously as Aley and Alec, and has not been located since the 1850 Tuscaloosa Co., AL census. If the 1870 Tishomingo Co., MS census birthplaces are correct, the earliest that the family arrived in MS would be about 1866/7.

Written "Ala" 23 NC in 1850 a farmer.

1855 Tuscaloosa Co., AL: Aley Newel; 2m <21, 1m >21, 2f <21, 1f >21 for a total of six in family. This would seem to indicate that Martin V. B. was still living in 1855, the two <21 males being him and Wesley and the two <21 females being Mary C. and Nancy E.

From the book "Tishomingo County Mississippi - History & Families" page 358 article on Jasper Newton Hutcheson (who married Nancy Elizabeth Newell --dau of Aley and Nancy): "Aley and Nancy were early settlers of the Old Bethel Community in South Tishomingo. Aley mysteriously disappeared when a wagon train passing through broke down near his home. He went to help them get started and he was never seen again by his family." This event must have occurred sometime between 1866 and the 1870 census taking.
